

Admission Notice | Summer 2026

Manarat International University (MIU) has officially opened admissions for the **Bachelor of Journalism & Media Studies (BJMS)** programme for the Summer 2026 semester. As part of its ongoing Admission Fair, applications will be accepted until **30 April 2026**, offering prospective students a timely opportunity to begin their journey in the field of media and communication. Under this special campaign, the university is offering a **50% waiver on the admission fee, up to 100% tuition waiver, free transport facilities, and a dedicated hostel facility for female students at the Ashulia campus**, making higher education more accessible and supportive.

Journalism and Media Studies is no longer limited to traditional reporting; it now opens doors to a wide range of career paths in the modern media industry. Graduates can build careers as reporters, correspondents, editors, authors, copywriters, technical writers, sports commentators, bloggers, photojournalists, broadcast news anchors, radio commentators, academics, public relations specialists, filmmakers, documentary producers, and media activists.

For further information and admission support, interested applicants are encouraged to visit the official websites: www.manarat.ac.bd, <http://jms.manarat.ac.bd>, and apply online via <http://admission.manarat.ac.bd>.
