Bangladesh Global Health Research Institute (BGHRI)
123/7, 7th Floor, Dilara Tower, Hatirpool, Dhaka

Key Skills

- Teaching at graduate level in universities and other institutions
- Training soft skills and Behavior Change Communication at various levels
- Conducting action research including socio-economic survey, evaluation study, information, education, communication strategy etc.
- Writing English language materials for modern teaching
- Anchoring and moderating national and international programs
- Working as communication specialist with different institutes

Summary of Professional Expertise

I have attended and conducted thousands of classes, trainings, seminars, workshops, training sessions, and symposiums, speakers' forums in the professional institutes in national and international arena. I have attended as a key resource and consultant in many some remarkable institutes **Article-19, Global Health Advocacy Incubator (GHAI), DW Academy, Human Rights Support Center (HRSC), Unique Human Rights Foundation (UHRF), Doctor's TV, World Assembly of Muslim Youth (WAMY), Bangladesh Youth Leadership Camp (BYLC), Physically Challenged Development Foundation, (PDF), Dhaka University Model OIC, United Muslim Ummah (UMU), South Asian Youth Association (SAYA), Achol Foundation, Axis Medical School, Multiple Language Club and many others.**

I have more than two years of experiences in teaching at graduate level of communication, journalism and media studies discipline. My major concentration of academic arena includes communication theories, public relations, media, society and politics, development journalism, public speaking and presentation, art of living, radio journalism, TV reporting, mass media research, English language and writing skills.

I facilitated youth initiative named 'Legend School' (A multidisciplinary online school for e-learning). With the motto to "Creativity, Connectivity, Innovation and Ethics can win all" Legend School is providing free of cost education to the anonymous students of Bangladesh and India and all over the world.
